Amazon Publishing, United States, 2014. Paperback. Book Condition: New. Reprint. 203 x 140 mm. Language: English . Brand New Book. The attractive redhead at the AP checkout counter opens her checkbook and begins writing a check, unaware that she's signing her own death warrant. The man behind her in the dark overcoat memorizes the address on her check. When she leaves the AP, he follows her home. In the next few weeks he tracks her every move . . . and when she rebuffs his advances, he stabs her. Five women, chosen at random, fall victim to a man the press dubs the Hyena. The NYPD has no leads until young Babette Watson walks into homicide detective Max Segal's office. She tells him she's had disturbing visions of all the crimes before they happened. Dubious, Max takes a chance in believing the pretty psychic, and it isn't long before they're on the Hyena's trail. But the Hyena knows they're tracking him, and it won't be long before he strikes. Like *Fear Itself* and *Exes*, Dan Greenburg's other bestselling thrillers, *Love Kills* is a terrifyingly realistic, darkly humorous, startlingly sexual, street-tough novel with a surprising climax.
