HUMPHRY CLINKER

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 20 pages. OCLC Number: (OCoLC)495784232 Subject: Security clearances -- United States. Excerpt: . . . Regarding our finding that, at present, no single database exists in accordance with IRTPAs requirement that OPM establish an integrated database that tracks investigations and adjudication information, DOD and ODNI stated that the reform effort continues its iterative implementation of improvements to systems that improve access to information that agencies need. DOD and ODNI also acknowledged that more work needs to be done to identify long-term funding requirements. Mr. Chairman, I want to conclude by reiterating that DOD and OPM are meeting current IRTPA timeliness requirements, which means that 80 percent of initial clearance decisions are made within 120 days, on average. This represents significant and noteworthy progress from our finding in 2007, when we reported that industry personnel waited more than 1 year, on average, to receive a top secret clearance. I would also like to emphasize that, although the high-level leadership and governance structure of the current reform effort distinguish it from previous attempts at clearance reform, it is imperative that OMBs newly appointed Deputy Director for Management continue in the crucial role as chair of the Performance Accountability Council in deciding (1) how to implement the recommendations contained in our most recent reports, (2) what types of actions are necessary for developing a corrective action plan, and (3) how the corrective measures will be implemented. Mr. Chairman, this concludes my prepared statement. I would be happy to answer any questions you may have at this time. For further information regarding this testimony, please contact me at Contact and (202) 512-3604 or farrellb gao. gov. Contact points for our Offices of Acknowledgments Congressional...
