A graduate of an approved training school for nurses or of an approved hospital, who has not received necessary theoretical and practical training in surgical and medical nursing, may supplement her training by a post graduate course and then be eligible for examination for registration as a trained nurse. Attorney Generals Department. Opinion to Dr. Albert E. Blackburn, Secretary, Pennsylvania State Board of Examiners for Registration of Nurses. Keller, Deputy Attorney General, April 4, 1917. I have your favor of the 27th ult. asking for an opinion as to the construction of Section 7 of the Act of May 1, 1909, P. L. 321, with reference to the requirement that an applicant for examination must have graduated from a training school for nurses which gives at least a two years course of instruction or has received instruction in different training schools or hospitals for periods of time amounting to at least a two years course as aforesaid and then graduated, and that such applicant during said period of at least two years has received practical and theoretical training in surgical and medical nursing. The facts, on which your inquiry is based, as detailed to me by the President of your Board, are substantially as follows: An applicant was graduated from a training school or hospital after a two years course of instruction, but did not during her course receive the amount of practical and theoretical-training in surgical and...
