Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

MUSIC TRADITION OF YURUKS

LAP Lambert Academic Publishing Mrz 2016, 2016. Taschenbuch. Book Condition: Neu. 220x150x4 mm. This item is printed on demand - Print on Demand Neeware - In this book, we researched this complex process in terms of the most striking indicators of musical traditions-musical instruments, performing ensembles, repertoire, and dances, with emphasis on the most massive and most common ritual ceremonies - weddings. Deepening the research material revealed an inexhaustible source of folk music heritage in which tradition to this day, despite the narrowing of some parts of musical practice, as well as the musical repertoire, still proudly defy the challenges of modern living. Methodological framework of the book covers the retrospective of the historical development of Kodzadzik, musical tradition, and traditional ceremonies through music segment. In the empirical qualitative research was also used a visual material in order to stress visual dimension of internal narration as a material artifact and proof of its autonomy. 60 pp. Englisch.
