Wipf Stock Publishers, United States, 2012. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Description: There is a lot of talk these days about how churches need to become more missional and Kingdom-focused --but what about the families that make up our churches and often reflect the surrounding culture more than the Kingdom of God? Christian families know that God has a better purpose for marriage and family but often don't have the slightest idea how to get there. And while many books on Christian marriage and family are inwardly focused on simply getting along better, this book addresses the cultural influences that have taken our focus away from God's intended purpose for marriage and family and, through analysis and practical suggestions, recalls marriages and families to the purpose for which God intended them in the first place--namely, to serve God's Kingdom as witnesses to a world desperately seeking deeper purpose and authenticity. Endorsements: It would be quite wrong to describe what Trevecca Okholm says in Kingdom Family as new or groundbreaking--it just seems that way. While there is a prophetic and challenging message, the author delivers this without a sharp edge or accusation, but as an invitation to a better way of life--the way of the Kingdom. --James C. Wilhoit Scripture Press Chair of Christian Education, Wheaton College Author of Spiritual Formation as if the Church Mattered (2008) As a seasoned minister of children and families for over twenty years, Trevecca Okholm has faithfully cultivated the practice of practical theology leading to a genuine...
