Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE ART AND TECHNIQUE OF PEN DRAWING (PAPERBACK)

Dover Publications Inc., United States, 2003. Paperback. Book Condition: New. 208 x 135 mm. Language: English . Brand New Book. A practical course in pen and ink drawing, this helpful guide includes a comprehensive survey of the best pen work in existence. A wide diversity of styles are presented ? from loose sketches to rich, engraving-like studies. Works from all periods include drawings by such masters as Durer, Holbein, Dore, Gibson, Rackham, Pyle, Beardsley, and Klinger. An opening chapter presents the evolution of pen drawing, while subsequent sections allow readers to select topics in self-contained units on line technique; the use of materials, drawing the figure, face and hands; humorous illustration; pen drawing for advertisers; fashion drawing; and landscape and architectural illustration. An excellent reference for students, this book will also help illustrators and commercial artists further develop their own styles.
