DOWNLOAD

World Bank Publications. Paperback. Book Condition: new. BRAND NEW, Peru: Country Program Evaluation for the World Bank Group, 2003-2009, World Bank Publications, World Bank, This Peru Country Program Evaluation for the World Bank Group, 2003-2009 is part of IEG's country program evaluation series. To date, IEG's in-depth country evaluations have comprised IEG-WB Country Assistance Evaluations (CAEs) and IEG-IFC Country Impact Reviews (CIRs). Both the CAEs and CIRs have involved comprehensive evaluations of the respective institutions' activities in a country. In a pilot approach, this evaluation was prepared by a single IEG team that looked at development interventions across the three WBG institutions. The evaluation draws on WBG documents, external literature, and on interviews with government officials, representatives of the private sector and civil society, nongovernmental organisations, bilateral and multilateral development partners, and Bank, IFC, and MIGA staff in Washington and in Peru. An IEG mission visited Peru in September 2009. IEG also cooperated with the Evaluation Office of the Global Environment Facility that was conducting a parallel evaluation in Peru.
