A remarkable debut novel that dares us to imagine mystery in our lives, in our timebook that sends us away refreshed, with the potential to see the sacramental in the everyday Boston Globe Told from the viewpoints of four unforgettable characters, *The Annunciation of Francesca Dunn* is the story of an ordinary girl who is believed to be a modern-day Holy Virgin. At the heart of the story is Francesca: a shy and moody teenager hungry for her absent father's love, she is frightened and intoxicated by her sudden elevation to the rank of divine. Chester is a visionary homeless man who first discovers Francesca and makes himself her protector. Anne is Francesca's nononsense mother, whose religion is Darwin and biology. Sid is Francesca's troubled friend, who keeps a few secrets of her own. Tender and tragic, their intersecting stories probe the need to believe, and the relationship between divinity and madness. Beautifully crafted, here is a compelling first novel that heralds the arrival of a powerful new talent. This item ships from multiple locations.
