That is, until the day she is taken away from her home by the goblins and forced to live in the gray, dark and dreary other world known as Hatred Blooms. Within this land, atrocious flowers, predatorial bushes and stubborn trees have the ability to attack just as well as the goblin creatures she is forced to live with. Veronica's only choice is to accept and even try to learn from and better this land, while she finally begins to learn to appreciate life as it is. There are surprises on every corner in Hatred Blooms and you would be wise not to expect the expected. Anything and everything that is ordinary and/or extraordinary awaits you within. The magic of the gray land of Hatred Blooms has only now begun. Original release, 2008 Enhanced Second Edition, 2015.
