Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

My song, be sweet and brief Hymning the hope that will not die of grief, Breathing a word of comfort in the ear, How death at length transcendeth woe and fear. Be pitiful, my song, Telling of human wreck and human wrong, If man to man at the last fail to respond, Better for them, for us, no life beyond. And oh my song, take part In Truth s immortal victory over art, For thee no ornate phrase or form, content To see thy garment neither soiled nor rent. What of the clamouring folk Who seek a great to-do o er each word spoke? My song, their scorn will never win us ruth If we should strike one untouched chord of truth.
