According to a Yahoo survey, a third of American workers are anxious about their job security. Breaking Organizational Ties provides practical strategies for employees attempting to cope in jobs or environments which they hate. While most managers are only concerned with the bottom-line, they leave their employees vulnerable to the casualties of competitive markets. This book will enable readers to (a) learn how to survive and even enjoy your time at work even in a hostile environment, (b) gain greater confidence in your ability to grow while in a downsizing organization, and (c) discover the insight to go beyond your limitations by breaking the barriers of your self-doubt. Look at what others are saying: Many issues affect why we don t reach our fullest potential. As a human resources professional myself, Daryl Green has hit the nail on the head.
