

## J. G. Ballard. Il futuro quotidiano.

Filesize: 6.05 MB

### ***Reviews***

*It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*

## J. G. BALLARD. IL FUTURO QUOTIDIANO.

Prospectiva Editrice, 2011. Book Condition: new. Civitavecchia, 2011; br., pp. 150. (Costellazioneorione. 67). I più grandi sviluppi dell'immediato futuro avranno luogo non sulla Luna o su Marte, ma sulla Terra, ed è lo spazio interiore, non quello esterno, che deve essere esplorato. James Graham Ballard (1930-2009) è stato uno degli scrittori più eclettici e visionari del nostro tempo, autore di alcuni romanzi di culto come "High Rise" (1975), "Crash" (1973) e "The Atrocity Exhibition" (1970). Intersecando alcune delle linee teoriche tracciate da Jean Baudrillard, questo saggio si concentra proprio su quest'ultima opera, capolavoro della sperimentazione letteraria post-moderna in lingua inglese. "The Atrocity Exhibition" introduce alcuni dei temi cardine della successiva produzione dell'autore e ha il merito di spostare l'attenzione della produzione fantascientifica sul presente piuttosto che su un ipotetico futuro, mettendo in rilievo le profonde contraddizioni della società dei consumi.
