Ameritopia 2075 (Paperback)

By Corey L Simmins

Createspace, United States, 2013. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.America in 2075 has achieved a state of Utopia. Following the political coup-d etat of 2025 by the Militant Moderates, led by the irascible and Machiavellian Johannes Schmitt, America resolved all of its early 21st Century social and economic issues: gay marriage, health care, abortion, immigration, welfare, education, and debt. With the elimination of liberal and conservative zealots and through the careful measurement of student data in the high schools, the educational system works with federal government forces to ensure that the perfectly administered economy offers a Brave New World-esque supply of workers, intellectuals, technicians, immigrants and other cogs in the American economic engine. Follow the coming of age of two young outstanding teachers, Murray Mallory Moore and Jacob Wilde, who upon their recent nomination to the Academy of Principals, find that during their training, they will enter a secret society which works in conjunction with Homeland Security to ensure the smooth operation of America s Utopian society by extending that usage of educational data to hunt down the pariah students of America in the most Orwellian manner....
