Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

ANCIENT ROME: FROM ROMULUS TO JUSTINIAN

DOWNLOAD

Yale University Press. Paperback. Book Condition: new. BRAND NEW, Ancient Rome: From Romulus to Justinian, Thomas R. Martin, With commanding skill, Thomas R. Martin tells the remarkable and dramatic story of how a tiny, poor and threatened settlement grew to become, during its height, the dominant power in the Mediterranean world for five hundred years. Encompassing the period from Rome's founding in the eighth century B.C. through Justinian's rule in the sixth century A.D., he offers a distinctive perspective on the Romans and their civilization by employing fundamental Roman values as a lens through which to view both their rise and spectacular fall. Interweaving social, political, religious and cultural history, Martin interprets the successes and failures of the Romans in war, political organization, quest for personal status, and in the integration of religious beliefs and practices with government. He focuses on the central role of social and moral values in determining individual conduct as well as decisions of state, from monarchy to republic to empire. Striving to reconstruct ancient history from the ground up, he includes frequent references to ancient texts and authors, encouraging readers to return to the primary sources. Comprehensive, concise and accessible, this masterful account provides a unique window into Rome and its changing fortune.
