Hodder Education, 2009. Taschenbuch. Book Condition: Neu. Gebraucht -- Wie neu Titel auf Lager, sauber, eventuell leichte Lagerspuren, Versand am selben Tag der Bestellung bis 16 Uhr - From the deliberately confusing to the downright vague, we all come across language that either seems meaningless or that makes our heads spin. Weasel Words is a demystification of those words and phrases used to bewilder, befuddle and confuse us, from the estate agent's 'bijou' to the politician's more sinister 'waterboarding'. Using contemporary examples, this book sets out those words we find confusing, explains what each word actually means and examines why these words are used the way they are. cascade The sibilant pleasures of cascade can be so seductive, it's worth remembering that it's also used as a technical term when attempting to create fuel for nuclear reactors. The injection of gas into a second cascade of centrifuges marked Iran's first known uranium enrichment since February 2006. The Times Of India 208 pp. Englisch.
