MILITARY PERSONNEL: MANAGEMENT AND OVERSIGHT OF SELECTIVE REENLISTMENT BONUS PROGRAM NEEDS IMPROVEMENT: GAO-03-149

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 42 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Because of the recent growth in DODs Selective Reenlistment Bonus Program, the House Appropriations Committee asked GAO to determine (1) the extent to which the services have followed their criteria for managing their programs and (2) whether DOD has provided adequate guidance for and oversight of the program. The Navy and Air Force have not used all of the criteria they have established for selecting critical military specialties eligible for bonuses under their Selective Reenlistment Bonus Programs. The Army's guidance does not include specific criteria for selecting critical specialties. Since these services have not used all of their criteria, the number of eligible specialties and the number of enlisted personnel who receive bonuses have expanded. Moreover, the services did not manage their programs to stay within their budgets appropriated by Congress. The Department of Defense's (DOD) budget for the Selective Reenlistment Bonus Program has more than tripled in recent years--from 235 million in fiscal year 1997 to an estimated 789 million in fiscal year 2002. DOD has not provided adequate guidance for and oversight of its Selective Reenlistment Bonus Program. DOD canceled an instruction that established criteria for selecting specialties for the program. Without this instruction, DOD cannot be sure that the program is being implemented as intended. Also, DOD has not reviewed the services' processes for selecting critical specialties or for establishing their corresponding bonus levels, despite requirements to do so annually. Thus, DOD has not ensured that the services are implementing their programs appropriately to help improve short-term retention in critical military specialties. This item ships from La Vergne, TN. Paperback.
