AuthorHouse. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 11.0in. x 8.2in. x 0.6in. This book is primarily designed to fulfil the requirements of a Mathematics GCSE exam at foundation, intermediate or higher level. It contains all the essential information in a very comprehensive set of notes and many worked examples, plus a very carefully designed set of revision questions (contained in 20 worksheets). These questions check fully the readers knowledge and understanding in all areas of the subject. The examples and questions have their answers given in full detail showing all the necessary stages. The book therefore contains everything the reader requires to study by themselves and to prepare for an exam. The material itself has been developed and tested over many years and using various pupils of all abilities. Adults or mature pupils wishing to either improve their knowledge or re-learn the subject will also find the content useful. It contains material used in everyday situations and so provides a book of use as a reference resource. Compared to other revision books it has a lot more information and worked examples and will be a very useful resource both at home or in a classroom. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
