Brand New Book ***** Print on Demand *****.Excerpt from Preliminary Plan for the Columbia Point Development The April 16, 1976 Armando Perez et al. v. Boston Housing Authority Court Order required the parties and the Court-Appointed Master to submit to the Housing Court, by April 30, a date by which a detailed Columbia Point development plan would be filed, noting the scope and complexity of both the planning process and of a plan itself. Following that Court Order, on April 23 and April 29 the parties and Master met at length to agree not only upon a date of the submission of a plan, but also upon a detailed outline of that plan. The April 30 letter of BHA Administrator Samuel Thompson to the Honorable Paul Garrity stated the agreement reached among the Master and parties, namely, that the BHA would submit to the Court and parties on July 6, 1976, a detailed Preliminary Plan for the Columbia Point Development, containing at least the following sections: 1. Architectural Plans and Specifications for the Prototype Building 19 (260-264 Mount Vernon). 2. Preliminary Architectural Plans and Specifications for the remainder of the development s dwelling units. 3. Outline Specifications for the Electrical and Heating Components of the Columbia Point Target Projects Program/Modernization Program. 4. A Mothballing Status Report. 5. A Relocation Status Report and Preliminary Plan (with respect to those relocations pursuant to the Target Projects Program/Modernization Program).
