iUniverse, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A Beautiful Mind Wasted is a compelling poetic narrative that explores the last five years of young Britton Hawkins life. In the beginning the author introduces himself and his purpose by explaining his back ground and his interests. But this isn t your average story of a young kid growing up and surviving on the tough streets of an overly impoverished area. In fact it is the opposite. Imagine if you will, The fresh prince gone wrong. Through A Beautiful Mind Wasted the audience can relive the psyche of a young man who was raised the right way, but chose the wrong path. The reader will experience a tremendous variety of emotions and relatable experiences during his journey, but the prize is in the completion of the story. The narration will place you into a movie like drama, while the poetry will erupt your senses like a Speilberg film. This book embodies the thought process of the latest generation known to man, GENERATION X. Although the story is told through a very hip-hop like swagger the intelligence and philosophies of Hawkins propels him into visionary status. A Beautiful Mind Wasted bridges the gap between the young and wild, and the wise and the mature. Although this book is Hawkins debut as an author he demonstrates a very seasoned style capable of changing the face of the literary world as we know it today. This story alone embodies the potential to launch a new age literary renaissance of young thinkers, creators and philosophers. Embark on a great read that will help you find the warmth within, while experiencing the excruciating reality of a cold harsh world.
