Richard Draven is a scientist interested in the healing properties of primates and transferring them to humans. When he discovers a new species of monkey with amazing regenerative powers, he has no idea that his report will set off a chain of events with dire consequences. Six years later, and Draven s research has been put into practice. The government has engineered a virus which has begun human trials. It s job - to make the armed forces of the world better, stronger, faster in their numerous conflicts across the globe. Something however is not right. Disturbing reports about the behaviour of those modified by the virus are growing in number raising concerns amongst those in charge that something has gone wrong. As the Apex teams go dark and stop responding to orders, the government discover that there is a much more sinister force at work. Joshua Cook is the alpha male, the first man to be administered the virus and bond with it successfully. Joshua is tired of the human race, tired of their self-destructive nature. He has a plan, one which involves wiping the slate clean of the lesser edition of the human machine and repopulating the earth with his own kind. As the full and devastating scale of Joshua s plan begins to unfold before the eyes of the world, the government are forced to turn back to Richard Draven in an effort to find a way to stop Joshua and his growing army before he can eradicate humanity from the planet.
