Filesize: 8.09 MB

Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jaclyn Johns DDS)

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Just One More Day: A Memoir, Susan Lewis, In 1960s Bristol, a family is overshadowed by tragedy While Susan, a typically feisty seven-year-old, is busy being brave, her mother, Eddress, is struggling for courage. Though bound by an indestructible love, their journey through a world that is darkening with tragedy is fraught with the kind of misunderstandings that bring as much laughter as pain, and as many dreams as nightmares. How does a child cope when faced with a wall of adult secrets? What does a mother do when her biggest fear starts to become a reality? Because it's the Sixties, and because it's shameful to own up to feelings, Eddress tries to deny the truth, while Susan creates a world that will never allow her mother to leave. Set in a world where a fridge is a luxury, cars have starting handles, and where bingo and coupons bring in the little extras, Just One More Day is a deeply moving true-life account, told by mother and daughter, of how the spectre of death moved into their family, and how hard they tried to pretend it wasn't there.
