The alternative is to die younger. So, make the best and the most of your remaining years; turn them into the golden years of your life in spite of any frailty and adversity you may be facing. Remember, life is a task-master: it teaches you not only how to survive in any challenging circumstance but also how to live well, especially in your golden years. Come to grips with the reality of death, which is a leveler-of-man. It makes you only more appreciative of life, as well as more proactive to live a meaningful and purposeful life in your golden years. Use Santa Claus as your role model to start believing in yourself, developing the right mindset of happy and successful aging, and then acting appropriately and positively. Santa Claus may not be a magic-bullet solution to all your life problems and challenges, but he certainly may open unexpected doors for you in your golden years. Naturally, you cannot do everything, but you can do something. So, do well the something that you can still do. The wisdom is to do a great deal more with a great deal less that you now have. The wisdom of this book may help you renew and enhance yourself with hope and optimism, showing you a possible and realistic path to a better outcome despite all the challenges, obstacles, and problems you may encounter in your golden years. Your future is always unknown and unknowable, but it is your readiness to get new information and to use your new experiences to reassess your current situation that provides a light at the end of the tunnel. Wake up from...
